FROM THE MANAGER

Trash Talk

By Sharon Hays, Manager

A few residents are still not adequately **bagging** trash before placing them into the trash closets. Please do not place open food containers or other unbagged items in the trash bins. Not only does it smell up hallways and causes more work for the janitors, it is an invitation for roaches! A reminder to please bag all trash in well-secured plastic bags to prevent odor and for sanitary purposes. Remember to place trash in the black bag and **recycling** in the clear bag.

Also, if you have items that do not fit in the trash closet, please place them directly in the trash dumpsters in the garden area. If they are **oversized items**, such as furniture, you will have to arrange a special pick up through the office at a cost to you. Oversize pick up is not part of our regular monthly contract.

Large boxes are to be flattened and taken outside to the white recycling dumpsters by the garden. Please do not leave large or heavy objects in the trash closet!

With a little help from all our neighbors, we can make the Lafayette an even better place to live! Thanks for reading. ☺
